Membership Agreement:

By signing below, I am committing to becoming a member of BIG CITY FARMS 2010 CSA program. I understand that, if I do not pick up my share during the appointed time, the share will be donated. I understand that I may transfer my share to someone else, but that there will be no refunds. I understand that there are a lot of factors that affect how well vegetables will grow, and that BIG CITY FARMS can only control a few of them. As a shareholder, I assume the inherent risk that farming involves and understand that certain specifics (including the proposed start date, crop availability, and weekly produce quantities) may vary due to forces outside the control of BIG CITY FARMS. And yet, despite the risk, I know that the produce I will receive will be of excellent quality, superb freshness, and true character. Sign me up!
